Dear Mr. Martin,

Please do not relax the broadcast ownership rules that prevent media monopoly. If you do then you will be giving in to the very ones who have kept your viewpoints off the air in the past.

You will be snuffing out independent voice by giving greater power to the big media conglomerates who will also keep opposing views off the air and out of the press.

You will have killed freedom of the press to great areas, even whole states and regions for the big media company will decide which viewpoints to allow and which to censor.

Stand up for freedom. Don't relax the rules.
